

## **Consent to Collect Information of Children Under the Age of 18**

We require the above information in our registration form to register your child in our summer camp program. We use this information to register your child in our camp, create contact lists for counsellors and other FoUVS staff involved in the coordination of our HCP Summer Camp, and to maintain an emergency contact list for camp coordinators and counsellors.

### **Medical Information**

We will plan to give the medical information you have provided about your child to the camp counsellors supervising the children as well as FoUVS staff involved with the coordination of the HCP Summer Camp to assist them in recognizing a medical emergency and calling for necessary assistance.

**By clicking the appropriate box, you agree that you are the parent or guardian of the child(ren) listed on this registration form and consent to us collecting the given information of the registering child(ren) under the age of 18 for the stated purposes.**
